

OUR MISSION - To nurture healthy child and family development through research-based, relationship-centered education and mental health services.

Founded in 1993, Forty Carrots is guided by a vision that all parents will provide their children with experiences and environments that are emotionally and physically safe so that they can grow into capable and caring young people.

AREAS OF EXPERTISE

PARENTING EDUCATION

Aims to empower families with the tools they need to ensure positive outcomes, both short and long-term for children. Information, skills and support are provided to some of our communities most at-risk families.

MENTAL HEALTH

Offering individual and group therapy to children, adolescents, and their families. These services are individualized to meet each client's mental health concerns and to improve overall family functioning.

EARLY CHILDHOOD EDUCATION

Preparing children for success through high quality education, taught by degree-leveled teachers integrating the latest research and best practices.
